Part 2: Work History

What is a “position?” Every time your employer or job title changes, you have a new position.

What is “responsibility?” Each position carries with it several areas of responsibility. All responsibilities should be listed, whether or not they are directly related to the construction field. Provide the details of what kind of work you are actually doing to fulfill each area of responsibility. What types of systems/structures/materials do you work with and what do you do with each? What work teams are you part of and what is your role in each? What percentage of time is allocated to each responsibility?

Applicants must complete one form for each employer.

Employer
Job title
Name of supervisor
Dates position held

List below your major responsibilities in this position and a detailed description of each.

Responsibility
Description
Percent of overall time

Repeat as needed

Part 3: Endorsement

The endorsement is provided by a senior level executive within an applicant’s company. The endorsement is used to evaluate the overall competence and professional character of the applicant. Additionally, the endorser serves as the mentor submitted by the company to work with the applicant throughout the academy.

This portion must be completed by a senior level executive within the applicant’s firm. The endorser will serve as the corporate mentor during the academy.
