

Education Committee

Charter:

The Education Committee shall provide the ISA membership and general construction industry with quality education through seminars.

Focus Areas:

- **Education and Networking**
 - The Education Committee will provide the ISA membership and general industry with quality educational and networking opportunities by hosting 2-3 large education-focused event per year as well as 4 smaller, focused-topic Thirst for Knowledge education series events per year
 - The Education Committee is to develop new creative ideas for events that are out of the “normal scope” ISA members have been used to over the course of ISA’s history.
 - The Education Committee will work to provide more educational opportunities that help not only large contractors but also aid in development for emerging businesses.

Committee Guidelines:

- Committee Design
 - Total of 10-12 members
 - At least 50% from subcontractor companies

Committee Chair: Pat Drewry

Committee Vice-chair: TBD

Board Liaison: Bill McQueen

Meeting Frequency: Every other month
